

## B65F

**GATHERING OR REMOVAL OF DOMESTIC OR LIKE REFUSE (disinfecting refuse [A61L](#); refuse disintegrators [B02C](#); sorting refuse [B03B](#); [B07B](#); handcarts for transporting refuse receptacles [B62B](#); sack holders [B65B 67/00](#); converting refuse into fertilisers [C05F](#); converting refuse into solid fuels [C10L](#); sewers, cesspools [E03F](#); arrangements in buildings for the disposal of refuse [E04F 17/10](#); refuse-consuming furnaces [F23G](#); {for surgical articles [A61B 50/36](#)})**

### Definition statement

*This place covers:*

Refuse receptacles;

Vehicles particularly adapted for collecting refuse;

Gathering or removal of refuse otherwise than by receptacles or vehicles;

Cleaning or disinfecting devices combined with refuse receptacles or refuse vehicles; Transferring of refuse between vehicles or containers with intermediate storage or pressing.

## B65F 1/00

**Refuse receptacles; {Accessories therefor} (containers not specially adapted for refuse, features of refuse receptacles of general interest [B65D](#))**

### Definition statement

*This place covers:*

Details of flexible refuse receptacles, e.g. bags.

Receptacles adapted for segregated refuse collecting.

Receptacles adapted for collecting from arrangements in buildings.

Receptacles without removable inserts.

Receptacles with removable inserts.

Receptacles with refuse filling means, e.g. locks.

Receptacles with devices facilitating emptying, e.g. openable bottom.

Other constructional features, e.g. lids.

### Special rules of classification

The use of Indexing Codes is mandatory if applicable.

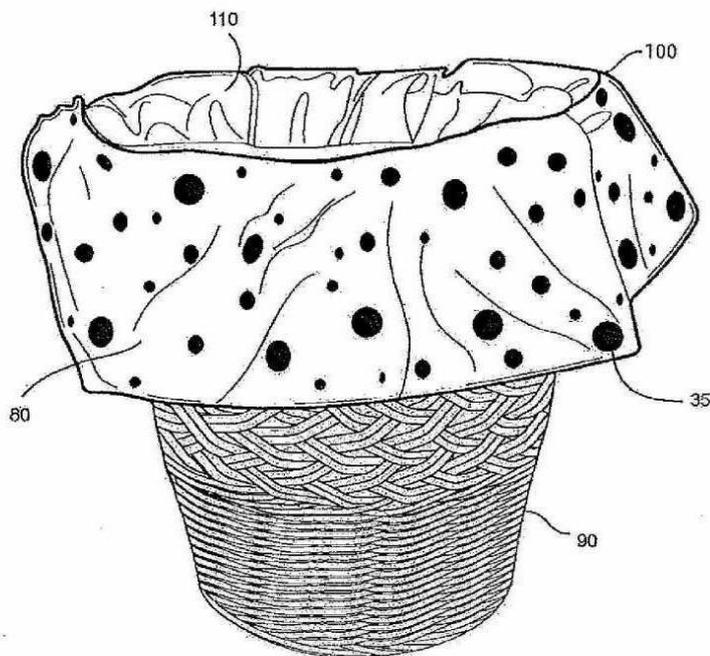

### B65F 1/0006

{Flexible refuse receptacles, e.g. bags, sacks}

### Definition statement

*This place covers:*

Illustrative example of subject matter classified in this group.

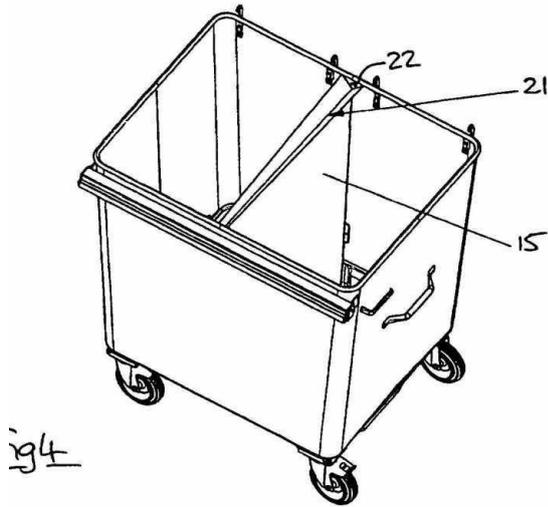

## B65F 1/004

{the receptacles being divided in compartments by partitions}

### Definition statement

*This place covers:*

Illustrative example of subject matter classified in this group.

## B65F 1/0053

{Combination of several receptacles}

### Definition statement

*This place covers:*

Illustrative example of subject matter classified in this group.

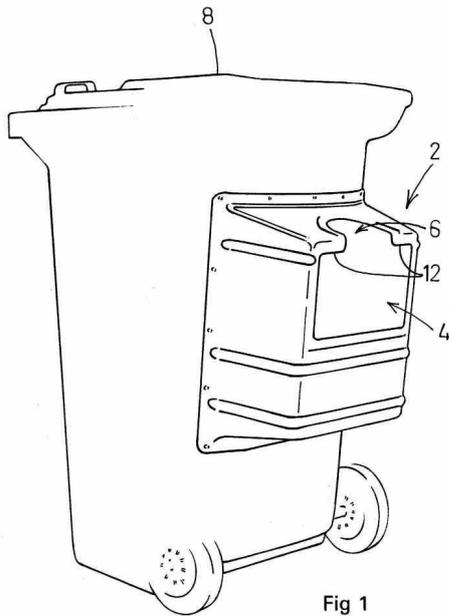

Fig 1

## B65F 1/0093

{specially adapted for collecting refuse from arrangements in buildings}

### Definition statement

*This place covers:*

Illustrative example of subject matter classified in this group.

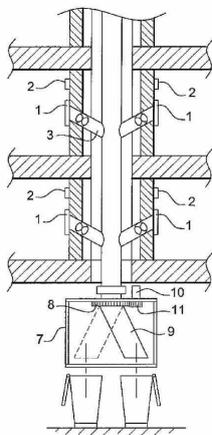

Fig. 1

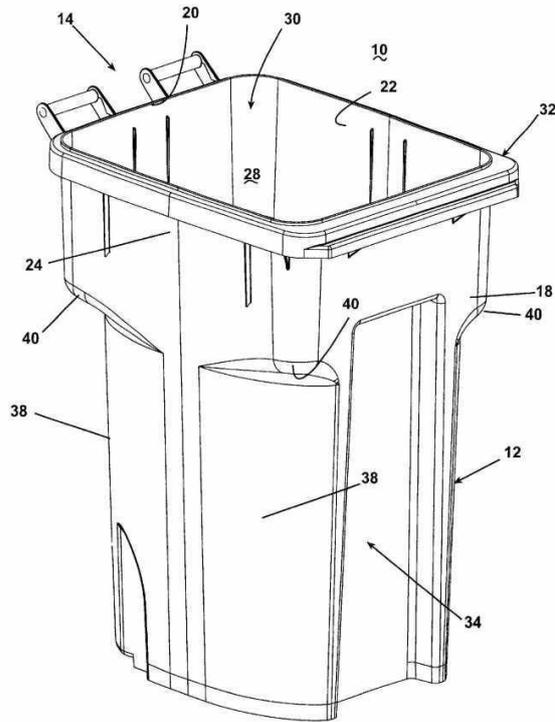

## B65F 1/02

without removable inserts

### Definition statement

*This place covers:*

Illustrative example of subject matter classified in this group.

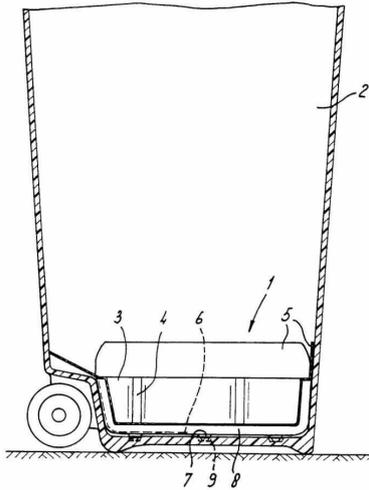

## B65F 1/04

with removable inserts

### Definition statement

*This place covers:*

Illustrative example of subject matter classified in this group.

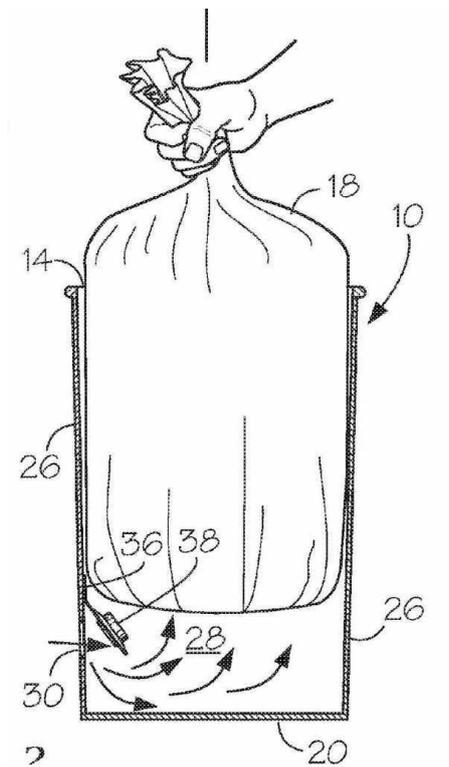

## B65F 1/06

with flexible inserts, e.g. bags or sacks **{(B65F 1/0073 takes precedence)}**

### Definition statement

*This place covers:*

Illustrative example of subject matter classified in this group.

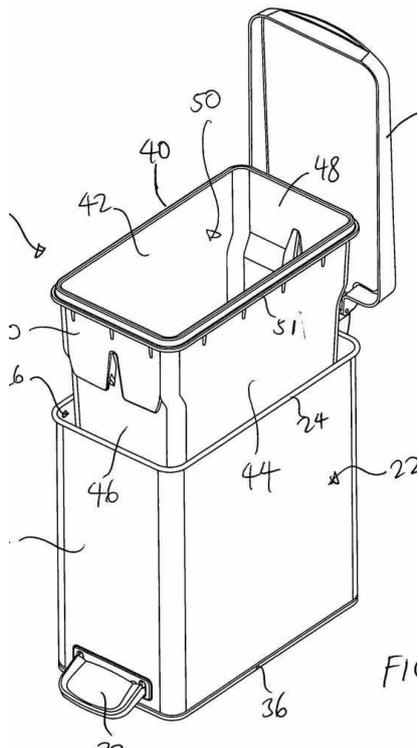

## B65F 1/08

with rigid inserts

### Definition statement

*This place covers:*

Illustrative example of subject matter classified in this group.

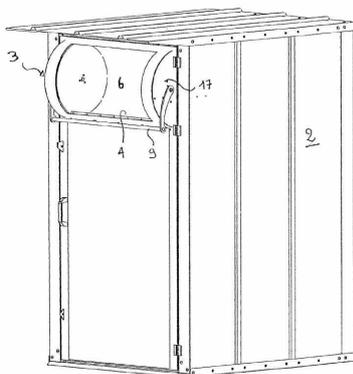

## B65F 1/10

with refuse filling means, e.g. air-locks

### Definition statement

*This place covers:*

Illustrative example of subject matter classified in this group.

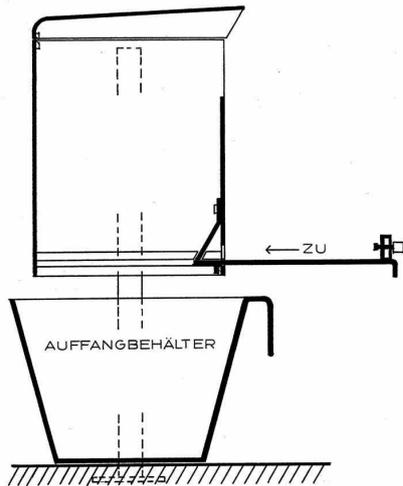

**B65F 1/12**

with devices facilitating emptying

**Definition statement**

*This place covers:*

Illustrative example of subject matter classified in this group.

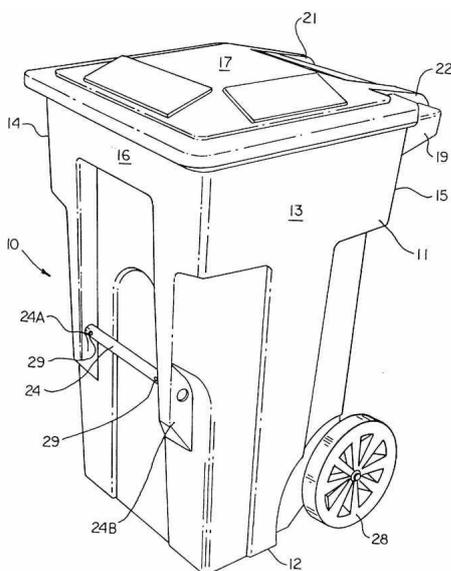

**B65F 1/122**

{Features allowing the receptacle to be lifted and subsequently tipped by associated means on a vehicle}

**Definition statement**

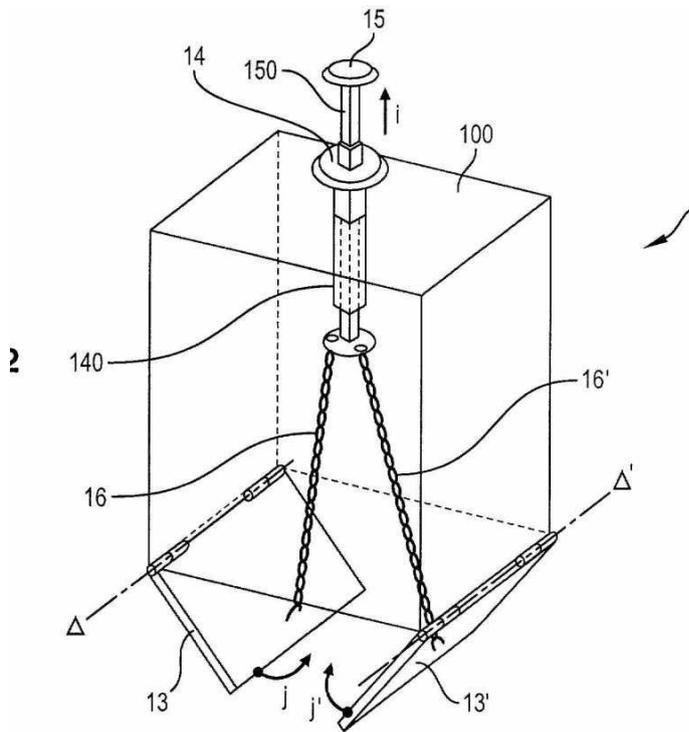

*This place covers:*

Illustrative example of subject matter classified in this group.

**B65F 1/125****{Features allowing the receptacle to be lifted and emptied by its bottom}****Definition statement***This place covers:*

Illustrative example of subject matter classified in this group.

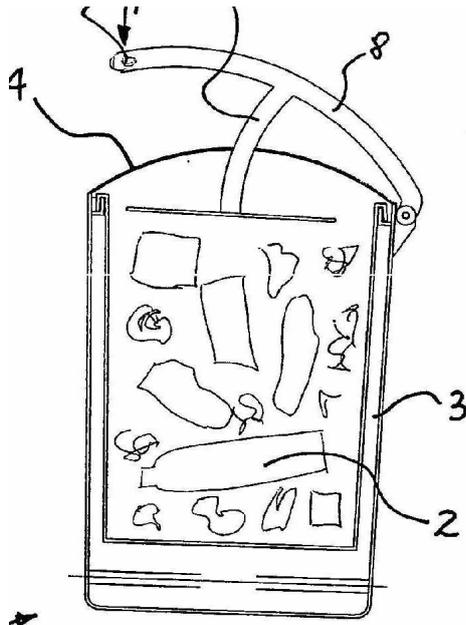

**B65F 1/1405**

{Compressing means incorporated in, or specially adapted for, refuse receptacles (presses in general [B30B](#))}

**Definition statement**

*This place covers:*

Illustrative example of subject matter classified in this group.

**References****Informative references**

*Attention is drawn to the following places, which may be of interest for search:*

Containers provided with, or connectable to, compacter means	<a href="#">B30B 9/3042</a>
--	-----------------------------

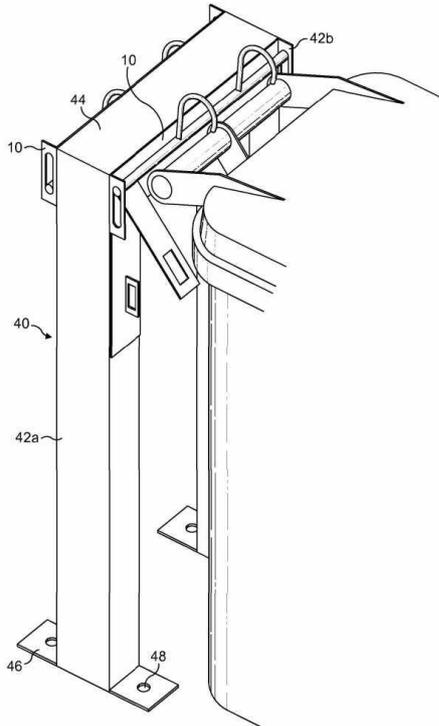

**B65F 1/141**

{Supports, racks, stands, posts or the like for holding refuse receptacles  
([B65F 1/0066](#) takes precedence)}

**Definition statement**

*This place covers:*

Illustrative example of subject matter classified in this group.

**B65F 1/1415**

{for flexible receptables, e.g. bags, sacks}

**References****Informative references**

*Attention is drawn to the following places, which may be of interest for search:*

Handcarts with support for bags	<a href="#">B62B 1/266</a> , <a href="#">B62B 3/106</a>
Sack holders Sack holders	<a href="#">B65B 67/12</a>

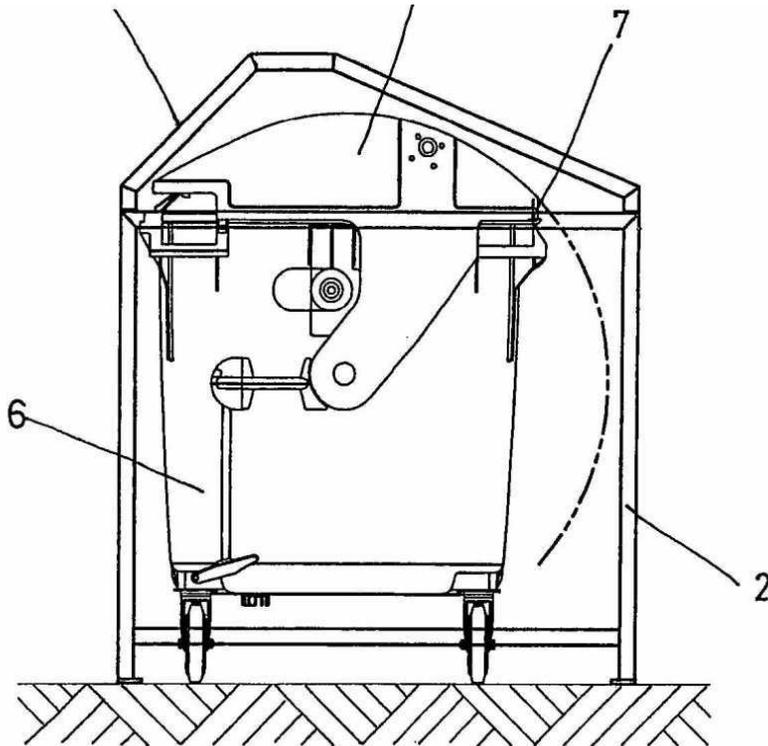

## B65F 1/1426

{Housings, cabinets or enclosures for refuse receptacles ([B65F 1/006](#), [B65F 1/1452](#) take precedence)}

### Definition statement

*This place covers:*

Illustrative example of subject matter classified in this group.

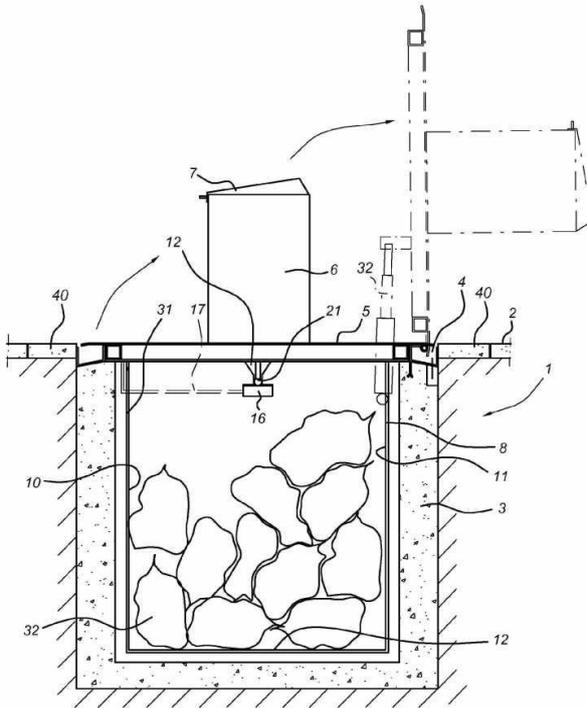

## B65F 1/1447

{located underground}

### Definition statement

*This place covers:*

Illustrative example of subject matter classified in this group.

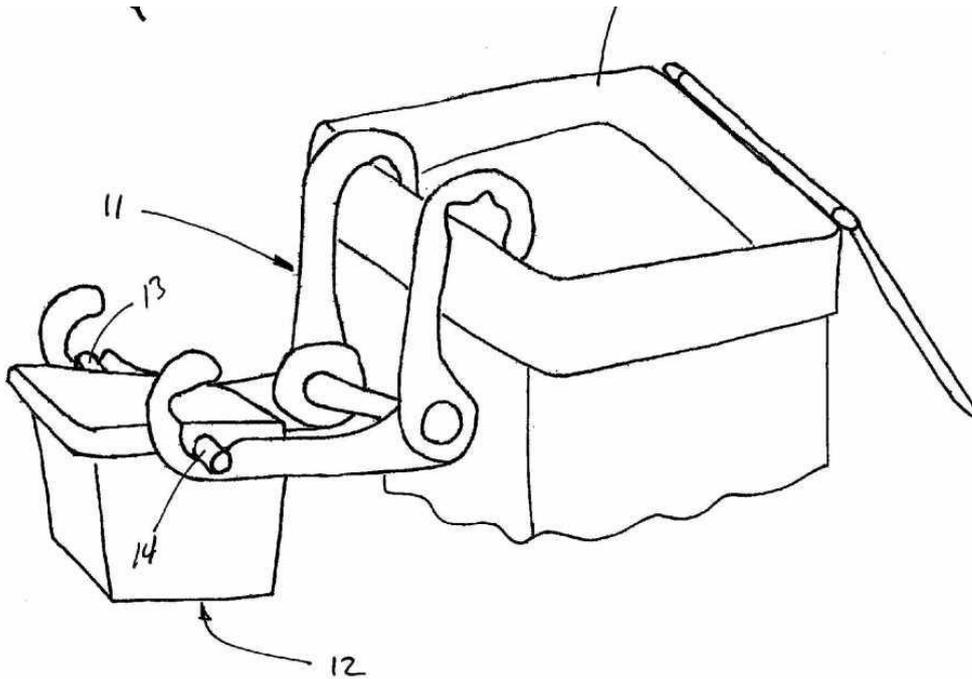

## B65F 1/1452

{Lifting, hoisting, elevating mechanisms or the like for refuse receptacles (lifting in general [B66](#))}

### Definition statement

*This place covers:*

Illustrative example of subject matter classified in this group.

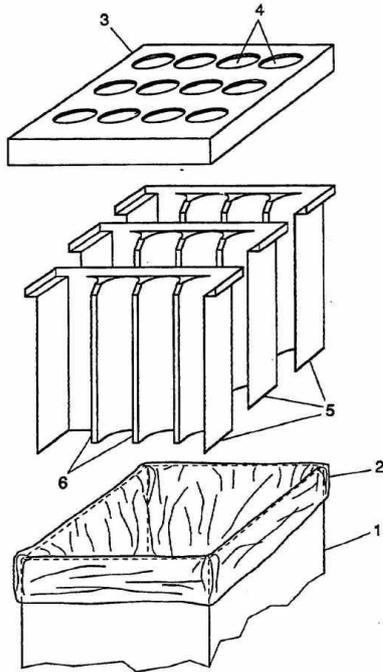

## B65F 1/1463

{Receptacles adapted to store one or more piles of used stackable containers, e.g. beverage cups}

### Definition statement

*This place covers:*

Illustrative example of subject matter classified in this group.

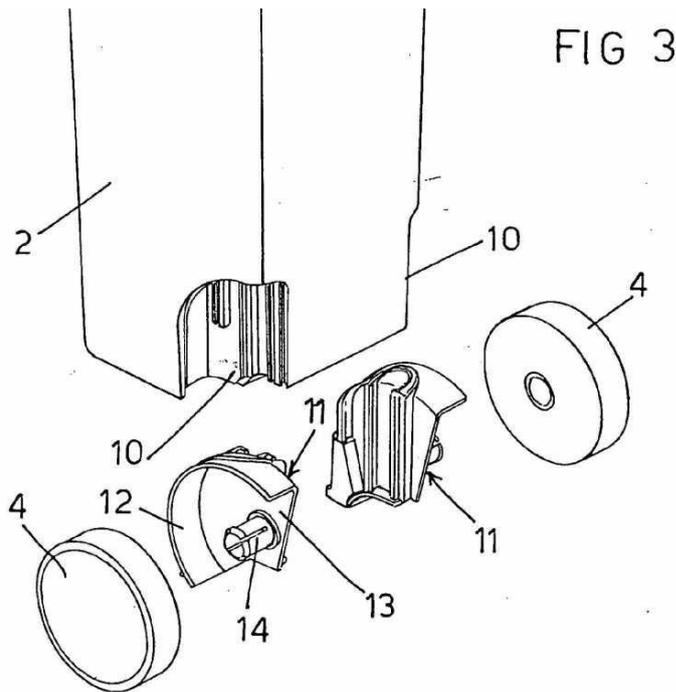

**B65F 1/1468**

{Means for facilitating the transport of the receptacle, e.g. wheels, rolls (hand-operated refuse vehicles [B65F 3/005](#))}

**Definition statement**

*This place covers:*

Illustrative example of subject matter classified in this group.

**References****Informative references**

*Attention is drawn to the following places, which may be of interest for search:*

Handcarts with support for dustbin	<a href="#">B62B 1/264</a> , <a href="#">B62B 3/104</a>
------------------------------------	---

## B65F 1/1478

{relating to noise reduction in receptacles during collecting of refuse, e.g. of glass}

### Definition statement

*This place covers:*

Illustrative example of subject matter classified in this group.

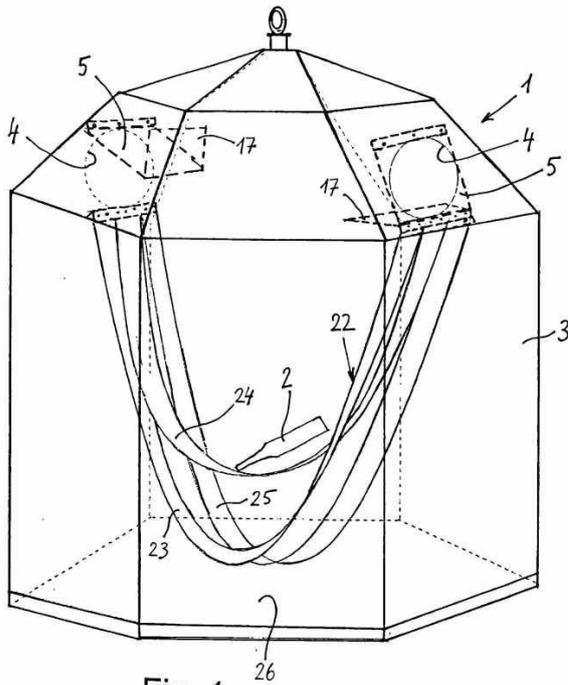

Fig. 1

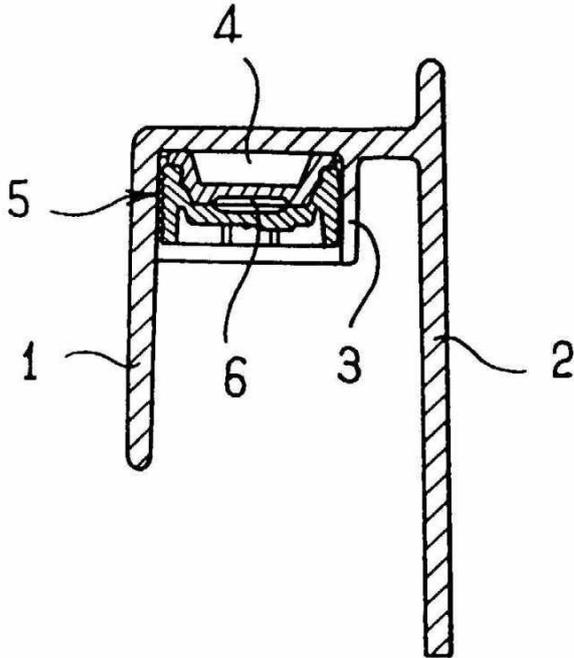

## B65F 1/1484

{relating to the adaptation of receptacles to carry identification means}

### Definition statement

*This place covers:*

Illustrative example of subject matter classified in this group.

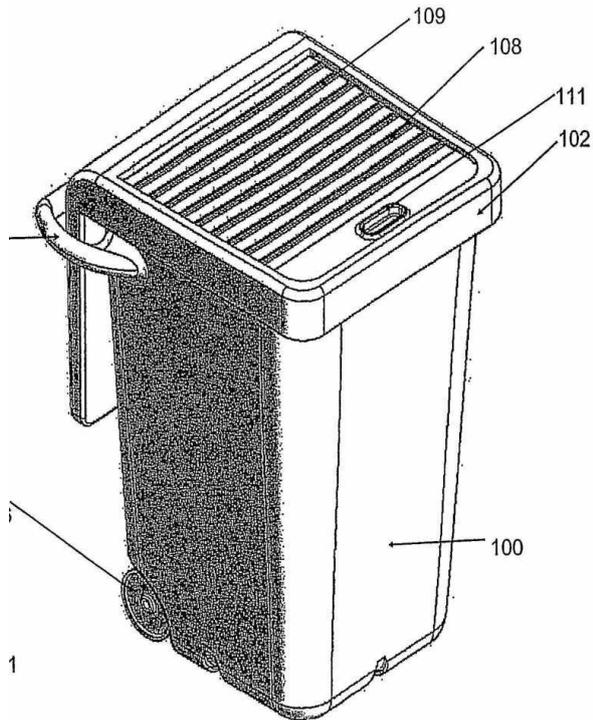

## B65F 1/16

Lids or covers ({[B65F 1/1421](#) takes precedence}; pedal or hand-lever operated {for containers in general} [B65D](#))

### Definition statement

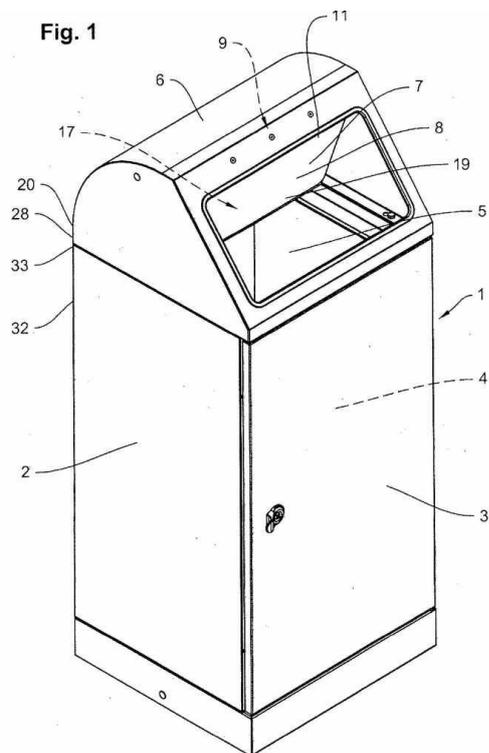

*This place covers:*

Illustrative example of subject matter classified in this group.

**B65F 1/1607****{with filling openings}****Definition statement***This place covers:*

Illustrative example of subject matter classified in this group.

**B65F 1/1615****{with means for locking, fastening or permanently closing thereof}****References****Informative references***Attention is drawn to the following places, which may be of interest for search:*

Gravity activated lock parts	<a href="#">E05B 15/0093</a>
------------------------------	------------------------------

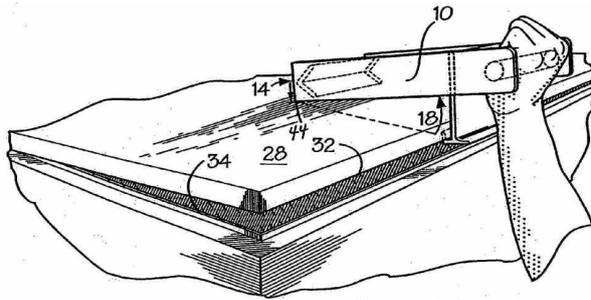

## B65F 1/1623

{with means for assisting the opening or closing thereof, e.g. springs (spring-actuated swinging wings [E05F 1/10](#))}

### Definition statement

*This place covers:*

Illustrative example of subject matter classified in this group.

*Fig. 4*

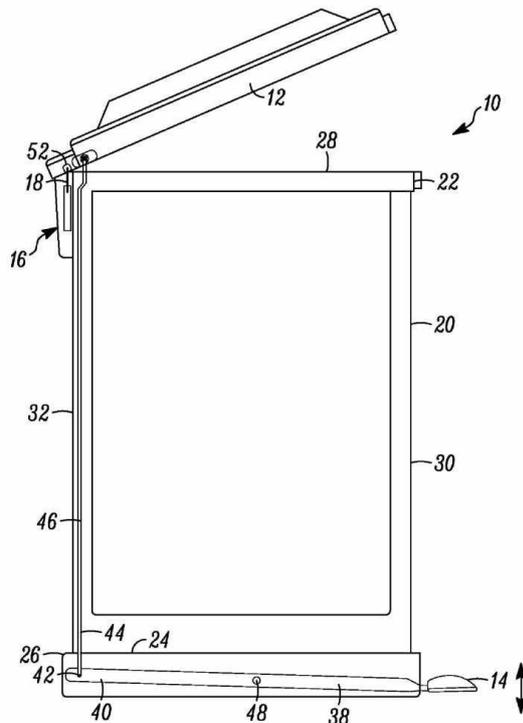

## B65F 1/163

{Pedal-operated lids}

### Definition statement

*This place covers:*

Illustrative example of subject matter classified in this group.

---	-----------------------------

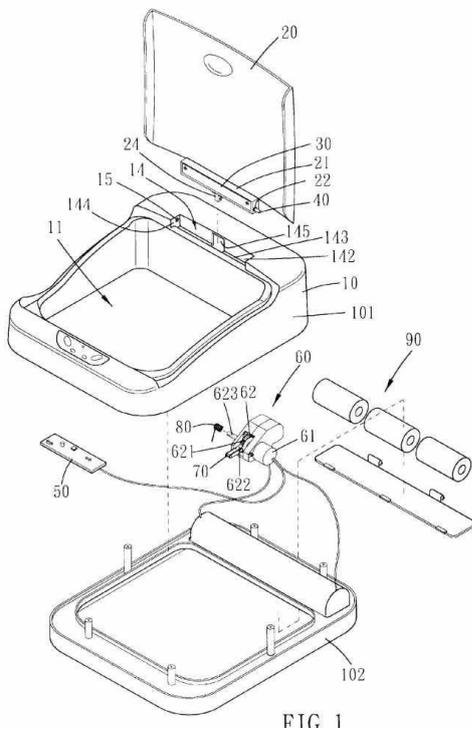

**B65F 1/1638**

{Electromechanically operated lids}

**Definition statement**

This place covers:

Illustrative example of subject matter classified in this group.

**B65F 1/1646**

{provided with means for mounting on receptacles, e.g. hinges}

**Definition statement**

*This place covers:*

Illustrative example of subject matter classified in this group.

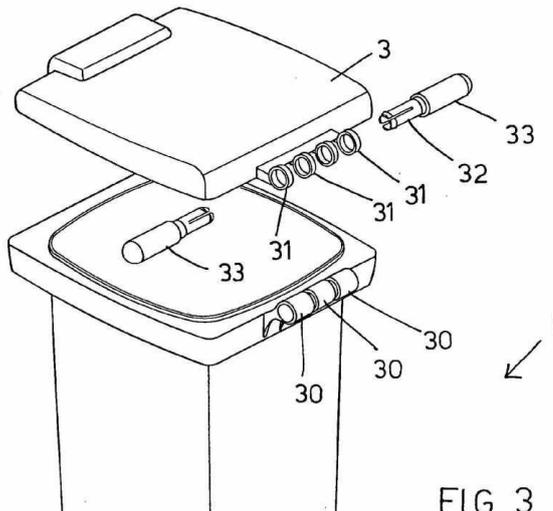

FIG 3

**B65F 3/00**

Vehicles particularly adapted for collecting refuse (vehicles in general [B60](#); driving vehicle equipment or auxiliaries [B60K](#); discharging contents by tilting entire vehicles [B65G](#); wheeled apparatus for emptying sewers or cesspools [E03F 7/10](#))

**Definition statement**

*This place covers:*

Vehicles with several compartments.

Hand-operated refuse vehicles.

With means for discharging refuse receptacles.

With devices for charging, distributing or compressing refuse.

With devices for unloading.

**References****Informative references**
